CZEKOLADOWE DODAWANIE

CZEKOLADOWE DODAWANIE

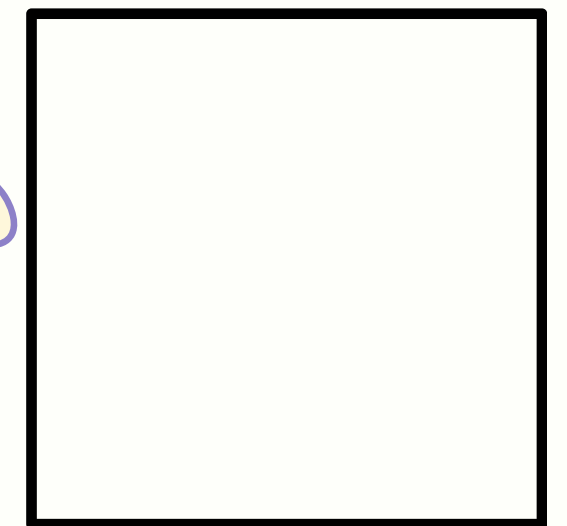

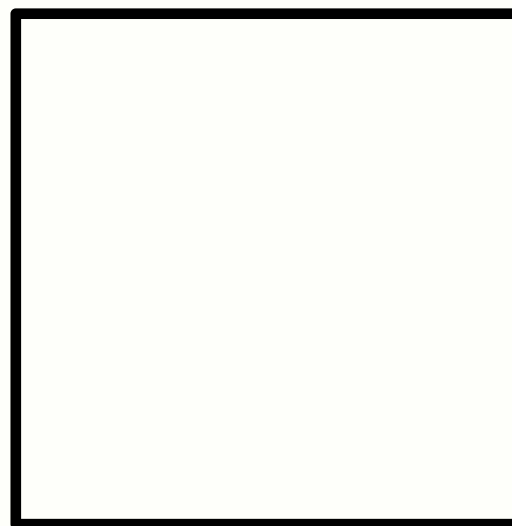

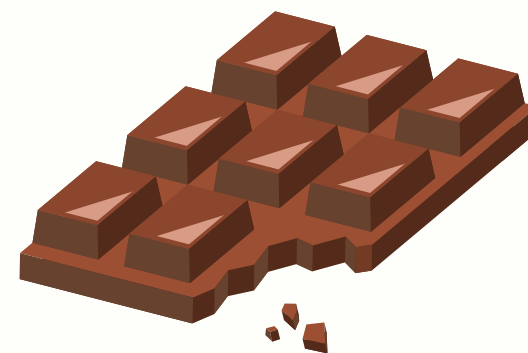

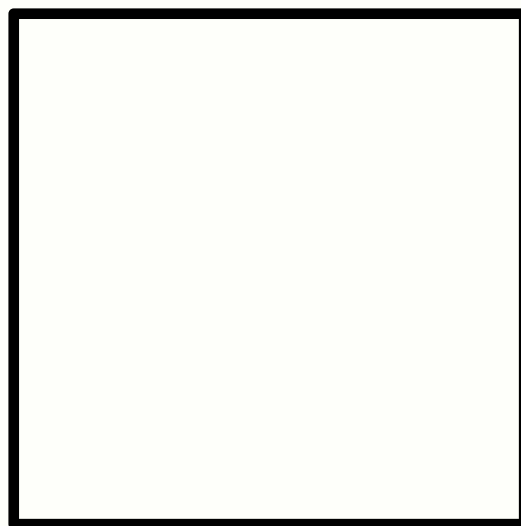

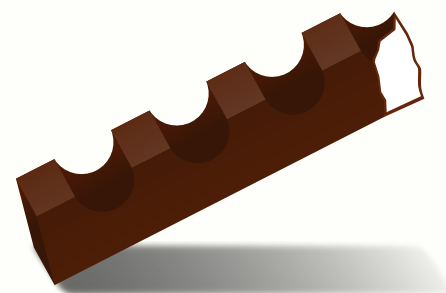

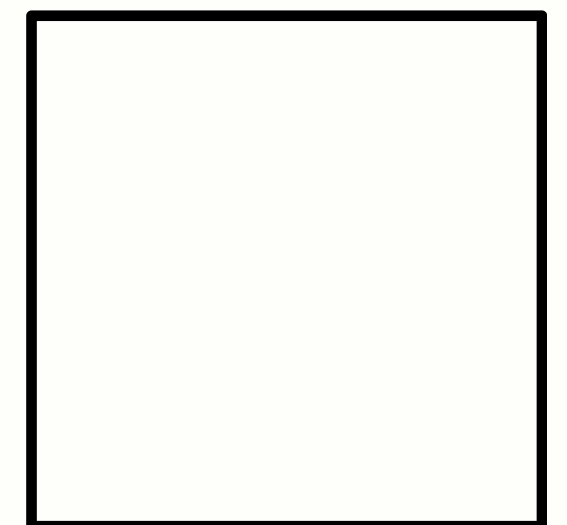

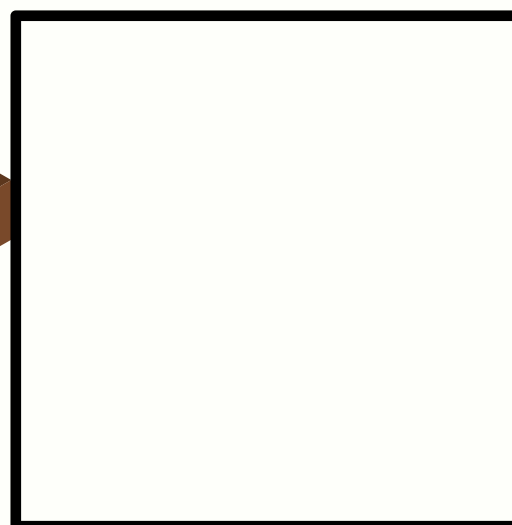

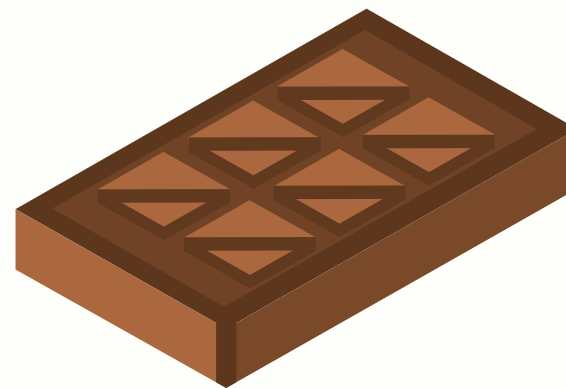

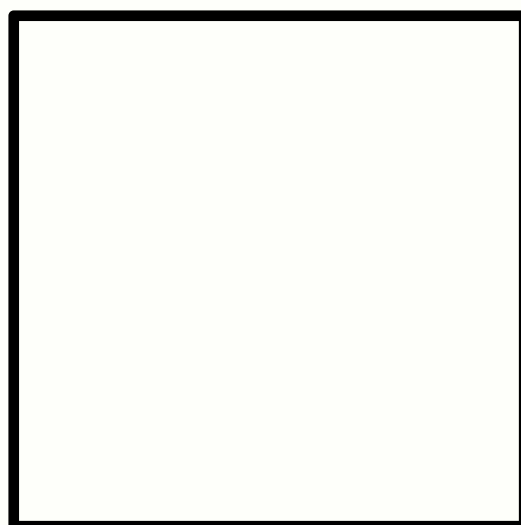

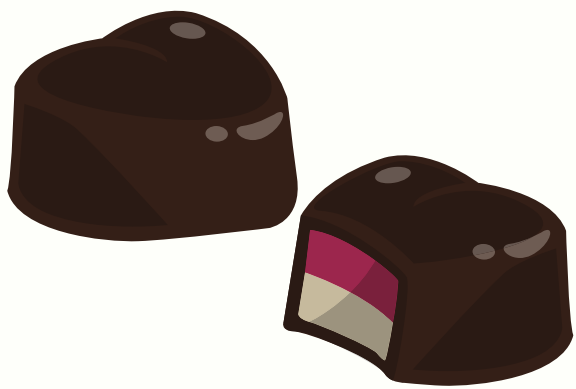

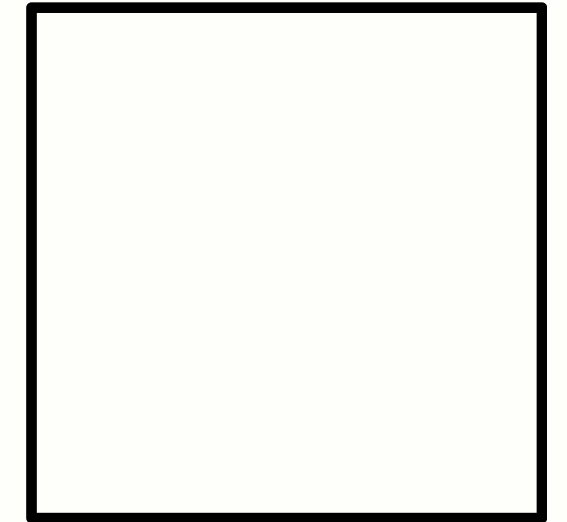

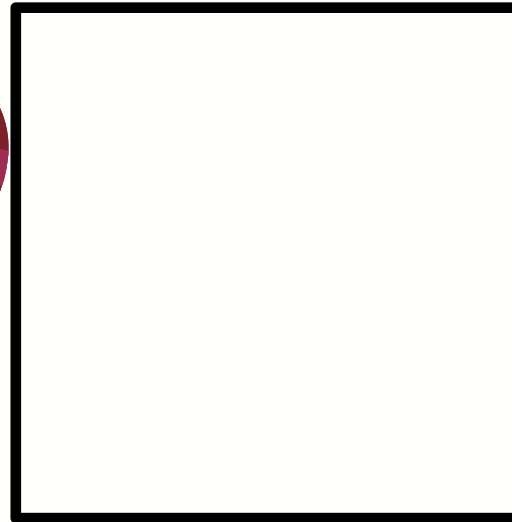

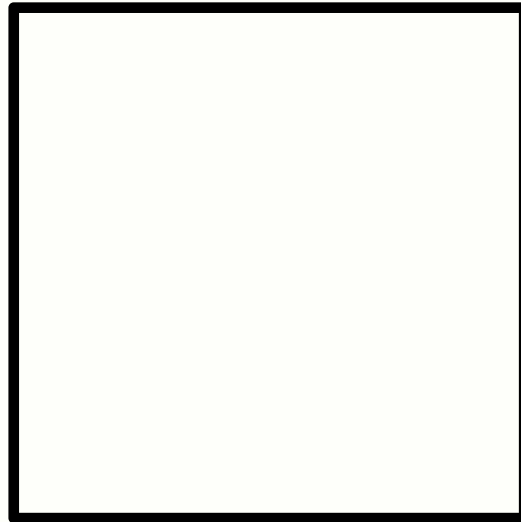

A stylized illustration of a chocolate bar being unwrapped. The chocolate bar is dark brown with a grid pattern of six squares. Each square has a small white symbol resembling a stylized 'L' or a corner bracket. The bar is partially covered by a purple wrapper that is being peeled back, revealing the chocolate. The wrapper has a white outline and a white diagonal line. The background is white.
